It has been brought to the office's attention that Chicago Police Officer Venus Rodriguez, Star# 12474, 7<sup>th</sup> Dist. has been charged with Leaving the Scene of a Property Damage Accident under Case No. TW 171473. Our office is the prosecuting authority in Officer Rodriguez's case. The case is currently pending at Traffic Court in Chicago and is next up on April 13, 2011. As you are all well aware, the fact that any witness that we are calling to testify has a pending criminal case must be disclosed to the defense.

If you or any of the assistants that you supervise have a case where you are calling Officer Rodriguez as a witness, the fact that Officer Rodriguez has a pending case must be disclosed to the defense prior to trial. The MIS Department is doing a computer search to see whether Officer

Rodriguez is a witness on any pending felony cases. Once I have the results of that search, I will forward them to each of you. Please don't call MIS to have another list run. Units that do not have a computer case management system will have to check their files to determine whether Officer Rodriguez is a witness on any pending cases.

If you or the assistants that you supervise have a case where Officer Rodriguez is a witness and you determine that she is a necessary witness and needs to be called in the case, and, at the time that Officer Rodriguez is testifying her case is still pending, please file and tender to the defense the attached Notice of Disclosure prior to trial. None of the ASAs that you supervise are to file the notice without your prior knowledge and specific approval. An electronic copy of the Notice of Disclosure will be sent to you.

If you or your ASAs have any questions, please call me. Thank you.
